As a property owner, tenant, or person who has requested notice, please be advised that the County of San Diego Department of Environmental Health Solid Waste Local Enforcement Agency received and has accepted an application for permit review and amendments to the Report of Facility Information (RFI) for Escondido Resource Recovery, a Solid Waste Transfer Station. The LEA is certified by the California Integrated Waste Management Board (CIWMB) to enforce state laws and regulations at solid waste sites within the County of San Diego.

Description of Proposed Changes: The operator has submitted RFI amendments update peak design capacity, reflect a maximum design of 9 feet of municipal solid waste staging on transfer station floor, and relocation of hazardous waste storage locker and recovered metal storage area.

LEA Findings per §21665(c): The County of San Diego Solid Waste Local Enforcement Agency finds the proposed changes are consistent with all California Environmental Quality Act documents; the proposed changes are acceptable and consistent with all State Minimum

Standards; and the proposed changes do not conflict with the existing Solid Waste Facility Permit (SWFP).

Where a copy of the permit application can be reviewed

A copy of the permit application is available for review by appointment at the Department of Environmental Health office located at 9325 Hazard Way, San Diego.
